Last week we learned all about fire safety and why we should not be afraid of firemen. Do you have an escape route for your family in case of a fire in your home? We made scary skeletons and discovered why we need bones in our bodies. Our favorite story was *Dot The Fire Dog* and all week we sang *The Wheels on the Fire Truck Go*. We are very excited that our children have been busy working at home to improve their scissor skills and writing their names; thank you parents for all your hard work and cooperation.

Theme of the Week:

- Letter recognition and the sound "P" makes
- Pets and Pumpkins
- Number Review 1-6

A special **Thank You** to Aniket's mom for the treat bags. The children were excited to take home a candle light. Thank you also to Mia's mom for the gummy treats on Friday.

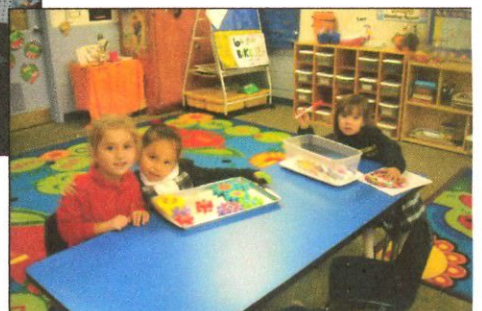

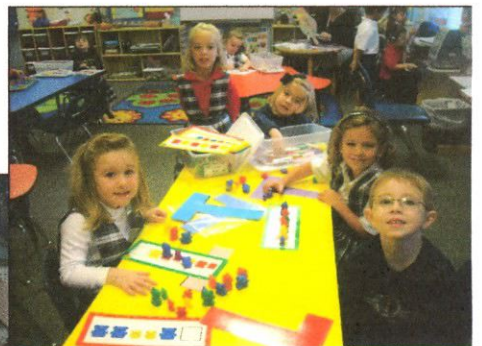

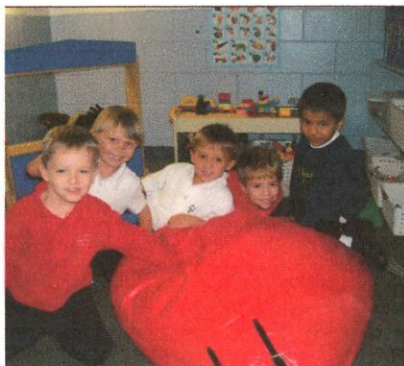

Reminder: Please remember to sign and return the Thursday white folders.

DI Corner

This week based on our preassessment of numbers we will be working on matching numbers with sets. All activities will be hands on according to each child's needs.

Have a great week!
