

# President Obama's Address To Students Across America

When the President's speech airs on September 8, 2009 Mrs. Cole will tape the speech. After careful preview Mrs. Cole will decide if any portion of the speech would be appropriate for our students. If any portion of it is appropriate that portion may be watched at a later date.

If you, as a parent, watch the speech and have concerns with it please email Mrs. Cole at [bcole@sjncatholic.com](mailto:bcole@sjncatholic.com) and tell her your specific concerns.

Thank you for your input.
