## Notes to Notice

**Art Request:** If you have some old dress shirts you want to dispose of, the Art Classes need them for smocks. Also, they are looking for yarn, short pieces are fine. Your assistance would be appreciated.

**Family Night:** Mark your calendar for Family Night on Friday, Sept 18, from 6-9 PM at the SJN picnic shelter. Dinner reservations will be accepted until noon tomorrow (Sept. 11). Want to win a front row seat for the action? Enter the bake-off. If you have any questions, contact Tricia Blalock at 381-3144 or Tatum Darby at 788-8144.

**Health News:** If a child wakes up with a fever, please do not give him/her Tylenol or Motrin and then send him/her to school. A child who has a fever must be fever free, at home, for 24 hours before returning to school. With the looming flu season ahead of us, this rule will be even more important.

**VIRTUS Training:** As a part of the SJN family, we expect all parents to volunteer at some time during the year. Because of this and to insure the safest possible environment for the children, all parents are required to complete the VIRTUS training. It is offered at the school and throughout the state at various times and dates. If you attend a training session at a different location, you must send in a copy of your certificate, so we have it on file. Go to [www.virtus.org](http://www.virtus.org) to find a date and time that is convenient to you. You must register online before attending a session. When you take this class, you are given several references where you can check on information for your neighborhood. Please add this website to those references [www.familywatchdog.us](http://www.familywatchdog.us).
