Notes to Notice

DI: Many of the papers your child is bringing home are stamped "DI Activity." This mark is to let you know that this particular activity was presented and/or assessed in different ways to meet a variety of learners' levels and/or needs. It does not mean that any of the material covered was different, but rather that the teacher recognized the need to provide multiple opportunities to learn the material and demonstrate knowledge. Just another way SJN is helping every student "Experience Success."

Reading Night: Thank you to Karen Zimmerman, all the parents, and all the faculty & staff who made this evening so much fun. Thank you to all the parents who set up and manned classroom displays. Hopefully, you had a chance to visit several countries and learn lots of new things.

If you have not yet received your pictures taken at Reading Night, they will be emailed by the end of next week.

VIRTUS Training: As a part of the SJN family, we expect all parents to volunteer at some time during the year. Because of this and to insure the safest possible environment for the children, all parents are required to complete the VIRTUS training. It is offered at the school and throughout the state at various times and dates. If you attend a training session at a different location, you must send in a copy of your certificate, so we have it on file. Go to www.virtus.org to find a date and time that is convenient to you. You must register online before attending a session. When you take this class, you are given several references where you can check on information for your neighborhood. Please add this website to those references www.familywatchdog.us.

Next Training: October 14, 2009, with Mrs. Cole in the library from 12:00 – 3 PM
