Finlay Park 10 AM

Notes to Notice

Christmas corner: The elves are busy preparing for the coming season. If you have an overabundance of gift bags, the Christmas corner elves would love to have them. Please drop them off in the school office.

5K Auction Race: November 15th - Check flier for details.

Physical Education: Mrs. Ray is in need of used junior tennis rackets. If you know of anyone who would like to donate one, it may be left in the school office.

VIRTUS Training: As a part of the SJN family, we expect all parents to volunteer at some time during the year. Because of this and to insure the safest possible environment for the children, all parents are required to complete the VIRTUS training. It is offered at the school and throughout the state at various times and dates. If you attend a training session at a different location, you must send in a copy of your certificate, so we have it on file. Go to www.virtus.org to find a date and time that is convenient to you. You must register online before attending a session. When you take this class, you are given several references where you can check on information for your neighborhood. Please add this website to those references www.familywatchdog.us.

Next Training: November 19, 2009, with Mrs. Cole in the library from 6 – 9 PM
