

# JDRF TAG DAY

To Benefit the Juvenile Diabetes Research Foundation International

Friday, October 23, 2009

Students wishing to take part in this JDRF Tag Day should bring in one (\$1) dollar for each piece of clothing they wear (up to \$5) that is not a part of the uniform dress code. If you pay by check please make checks out to SJN and note in the bottom corner JDRF. Then SJN will send one check to the JDRF. Remember TAG stands for Teaching About Giving.

No belt = \$1

Wear your favorite shirt = \$1

Wear your favorite shorts/pants/jeans/skirts = \$1

Wear your favorite socks = \$1

Wear your favorite shoes (socks must be worn with sandals, no flip flops) = \$1

Remember that all clothes must be regulation length and suitable to wear to school. Growing spurts happen quickly and students may have grown an inch or two in height or girth so double check those fun clothes.
