Notes to Notice

VIRTUS Training: As a part of the SJN family, we expect all parents to volunteer at some time during the year. Because of this and to insure the safest possible environment for the children, all parents are required to complete the VIRTUS training. If you attend a training session at a different location, you must send in a copy of your certificate, so we have it on file. Go to www.virtus.org to find a date and time that is convenient to you. You must register online before attending a session. When you take this class, you are given several references where you can check on information for your neighborhood. Please add this website to those references www.familywatchdog.us. **Next Training:** November 19, 2009, with Mrs. Cole in the library from 6 – 9 PM

Be sure to check your child's report card envelope for the MAP testing and ITBS results. If you have questions please call Mrs. Cole @ 799-1367.
