** How To Avoid a Phone Call from Mrs. Cole?

Okay brainiacs. Here 's how it works. Turn in your Auction Drawing Tickets and moolah or expect a little telecommunication from The Boss. And we don't mean Springsteen. Or Springfield? Or is it Steen? Field?

**** Angel Fund** donations are still being accepted and will count towards the free tuition drawing. Any combo of \$300/family of Angel Fund & Auction Drawing Tix.

Desperately Seeking:

More Faculty Projects

- * Table for 5? Join Senora Cabera at San Jose for a great Mexican dinner.
- * You scream, I scream, we all scream for an ice cream party hosted by Mrs. Zimmerman. Ten lucky students will also enjoy a story and craft!
- * She'll (Ms. Stafford) be comin' round Teddy Mountain when she comes! And after the making of bears etc., Ms. Stafford will be escorting 4 kiddos to Marble Slab, yum.

"Everybody Wang Chung Tonight"

Here's the plan for all you party goers. We've got:

1. Father-Daughter Dance
2. Mother-Son Bowling
3. A Mom's Only Party? Possibly "Pretty in Pink"? That sounds grody to the max. But we need a hostess. Could **you** be the next Molly Ringwald? Make the call. Today.

Auction Canvases

Have a sport theme or beach theme going on in your abode? Then check out the 5th graders creations.

Or are you into bright, colorful, abstract, initial art? The 6th graders have outdone themselves! What a great way to remember their class at SJN.

Feeling patriotic, but red, white and blue aren't your colors? Take a gander at the 4th grade canvases.

"XANADU" the remake

Hunt down those rollerskates. You always knew they'd be back in style with a vengeance. Be there, or be square.

Nov. 17 Skate Night
