

December 3, 2009

Dear St. John Neumann Parents,

An **H1N1 Student Flu Shot Clinic** will be held at St. John Neumann Catholic School on Tuesday, December 15, 2009. All children at the school are eligible for the clinic. There is no cost. This clinic is injection only, there will be no flu mist available for children.

Please fill out the permission form, and return it to the school no later than Tuesday, December 8th. Your child will not be vaccinated unless this form is completed and turned in.

The flu shot clinic will start at approximately 12:30 PM, with the PreSchoolers. I want to encourage/invite parents to be with their child when they receive their injection. If you cannot be there or if your child does better without you present there will be volunteers to assist with the children.

The health department asks that each child stay in the area for 15-20 minutes after being vaccinated, to make sure there are no adverse side effects. Children will be closely supervised during this time.

Children will not be forced or held down to receive their vaccination, if they resist, they will not receive the vaccination.

The following schedule may vary with the number of students participating.

PS & K5	12:30 PM
1 st	1:00
2 nd	1:30
3 rd & 4 th	2:00
5 th & 6 th	2:30
