# **St. John Neumann Catholic School**

St. John Neumann Catholic School is an award winning school in Columbia, which serves children from preschool through sixth grade. The purpose of our golf tournament is to raise the necessary funds for children to attend who do not have the financial means to experience this quality education during their formative years.

The St. John Neumann faculty, staff and families work toward an environment that nurtures academic, spiritual, cultural and physical growth for the students, allowing each to advance according to his/her unique talents.

St. John Neumann students' place in the top 10% nationally on the Iowa Test of Basic Skills and average 1 to 1.5 years above their grade level. The faculty has a combined 430 years of teaching experience with 13 teachers having earned a Masters Degree in Education.

***All net proceeds raised from this event will go toward our goal of providing assistance to St. John Neumann students in financial need.***

***Partner with us in creating a brighter educational future for these deserving students!***
