

# Please Help the Homeless Pets

During the month of April, the Kindergarten classes will be collecting items for homeless pets. These items will be donated to an animal rescue center called Pets, Inc. They help find homes for hundreds of homeless animals each year. While the animals are waiting to be adopted, the Pets, Inc. people care for and feed them. It takes a lot of supplies to provide a warm, caring environment for the waiting pets. Please be generous and donate any of the items listed below to help these waiting animals!

Items to donate:

Cleaning supplies (Clorox, Lysol, etc.)

Paper towels

Old towels

Old blankets

Pet treats

Pet toys

Please ***do not*** send in pet ***food***...the animals need to have the food that they are used to being fed.

The deadline for sending in animal supplies is ***Thursday, April 30<sup>th</sup>!*** Thank you for helping to care for God's creatures!
