

# Pennies for Peace

***Send in your loose pennies or change. Don't throw them away! They can be more beneficial than you can imagine. Each classroom has a jar or bottle for the pennies they are collecting.***

How can a penny bring peace? It doesn't buy much in our community. However, in the villages of Pakistan and Afghanistan, a penny can buy a pencil, start an education, and transform a life. In a region where terrorist organizations recruit uneducated, illiterate children, that pencil can empower a child to read, write, and learn. The Pennies for Peace program goal is to encourage our students, who are ultimately our future leaders, to learn the value of philanthropy by collecting pennies for global peace.

Our students join tens of thousands of students around the world who are participating in the Pennies for Peace program and who are working together to become members of a global family dedicated to peace.
