Notes to Notice

Auction Update: Don't forget to collect those auction donations over the summer! Extra donation forms can be found in the office. Mark your calendar for the next auction meeting, August 26th.

Eagle Events Advertising: If you look at the advertisement page of the Eagle Events, you will see some of the businesses who support our school. If you would like to advertise in next school years Eagle Events, please call LuAnn Aycock at (803) 691-8117 or email her at NORMSRUNNER@AOL.COM.

correction

Emergency Card: In an effort to have the family data base updated and the school phone directory available earlier in the school year, the office would appreciate your assistance in filling out the Emergency Card for fall and **returning it by June 4th**.

Lost & Found: The current location of the *Lost and Found* is in the cafeteria. I would encourage everyone to look through the mounds of items we have. Surely they have homes. Anything left after June 4th will be given to charity.
